

Hi _____,

I saw on LinkedIn that you're a Marketing Assistant at _____. I'm very interested and intrigued by what you do!

I'm reaching out to you because I'm currently a student at the University of Oregon and am a marketing major. I'm graduating next year and am looking into similar positions to what you do for _____.

Any advice you have for someone my age looking to do what you've done would be greatly appreciated. I'd love to chat over the phone, Skype or even through email...whatever's most convenient for you.

I know that you're busy, but I was wondering if we could chat for a 10-15 minutes sometime?

Thanks for your consideration,
